WELCOME TO THE SPINAKEE

UNIQUE in the Mediterranean...

Located in Grau du Roi, Le Gard, on the peninsula of Port-Camargue, in the heart of the marina, the very chic Spinaker welcomes you to its exceptional universe whether you are in a boat (with its 60m long pontoon), by car (A9 direct access), or by plane (Montpellier airport 15 minutes). A 4-star boutique hotel, everything has been thought of here so you don't have to think about anything. A seminar room on the water, The Deck, a bistronomic rooftop, a gourmet restaurant, PIER 21, a floating oyster bar in front of the hotel, Spa and Fitness room; swimming pools open to the sea, musical evenings... Get away from it all and let the magic happen...

THE ROOMS

Cocooning and zen

The Hotel Le Spinaker, with its 23 rooms, including 7 Suites, is an invitation to calm and tranquillity. Each of the rooms has a terrace with breathtaking views over the swimming pool or the marina of Port Camargue.

Decorated with the greatest care, in a resolutely modern, sober and eclectic spirit, the rooms reflect a soft seaside atmosphere. This is the ideal place to let your imagination travel.

RESTAURANT

Gastronomy meets the Camargue.

The kitchen of the Spinaker's restaurant combines flavours and escape. In a setting with fabulous views over the marina, let yourself be seduced by an elegant Mediterranean cuisine with accents of elsewhere. The menu is renewed often: the Chef, who loves local produce, will conquer your taste buds. In season, one can take meals on the magnificent terrace overlooking the marina.

THE DECK

Cocktails, bistro food, live music in the evening, rum and cigar cellar ... The deck offers tapas menus and the possibility of spending the afternoon by the pool. Let yourself be transported, close your eyes ... and enjoy.
